

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

*Install a new furnace, heat pump and clean the entire duct system in one day? In the middle of winter? I was skeptical that it could be done! There is a reason the company's name is "Right Now"! Installed, the old parts removed and my garage cleaner than when they started. To my wife's delight, they respected her house by wearing shoe covers. I highly recommend Right Now, right now!*
