

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Owner Right Now Inc.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

We were very impressed with the work ethic of your two installers. They worked efficiently & quickly & made certain the unit was working well before they left. They made certain that everything was left as they found it - neat & orderly.

We appreciated their service. They were great representatives of the high calibre of people you have working for you.

We have no hesitation in recommending Right Now to our friends.

Thank you.
