

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Thank You

Owner Right Now Inc.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

We decided on the 29th of March to purchase a new furnace & air conditioner and on the 31st it was fully installed and running. "Right Now" has been the most outstanding Company that we have ever dealt with. They were here when they said and were clean and neat and very pleasant.

We would recommend them before any other company. The owners should be very proud of his workers and the excellence of their work.
